Respected Sir,

**Sub: COVID-19 vaccination and Hospital treatment for BSNL Employees reg:-**

It is bring to your kind notice that the covid infected cases In Karnataka and especially in Bangalore are increasing every day. BSNL staff who are more exposed for the outdoor work and visit to customer premises are also getting more affected. The numbers of infected cases in BSNL are also getting increased. Many are not getting bed, medicine and treatment by Hospitals. All our BSNL staff are in panic condition.

In view of this pandemic covid 2<sup>nd</sup> wave it is to request your kind self to impress upon the state Government for giving priority for the BSNL staff in giving the treatment and vaccination for all the BSNL employees irrespective of the age.

At the same time kindly impress upon the BSNL CO for allotment of **medical advances** for the covid infected BSNL employees for the treatment as none of the empanelled Hospitals are giving cashless treatment to BSNL employees because of their huge pending Bills with BSNL. This is the situation where the BSNL has to support its employees for their moral boost.

Your kind support is highly appreciable.
