Sub: Inter and Intra Circle Transfer proposal for Executives of Karnataka - reg.
Ref: No BSNL CO-PETS/11(11)1/1/2023 - PERS 1 dated 17-02-2023

Respected Sir,

It is bring to your kind notice that BSNL management is under the process of Issuing both Inter and Intra Circle transfers to Executives on long stay basis. Already the long stay list for Inter as well as Intra Circle Transfer has been published and all our Executives are in panic condition.

At the same time BSNL Management has Issued notice for the 3rd membership verification for Executives associations. Usually there will be ban on any transfer during membership verification as code of conduct starts once the notice for membership verification is issued.

It is to be noted that last year 2022 membership verification was announced for the non Executives in BSNL on 07.07.2022 with following schedule,

1. Last date for Submission of Application : 05.08.2022
2. Release of Eligible Unions : 12.08.2022
3. Last date for withdrawal of Application : 22.08.2022
4. Release of list of final eligible unions : 26.08.2022

BSNL CO issued guidelines on 13.07.2022 to keep the normal / Rotation;l Transfer for non Executives issued till that date (13.07.2022) which are not implemented till 27.07.2022 may be kept in abeyance till further order or completion of 9th membership verification process.

In the same way this year notice for 3rd membership verification for Executive is issued on 14.03.2023 with following schedule,

1. Last date for Submission of Application : 10.04.2023
2. Release of Eligible Unions : 17.04.2023
3. Last date for withdrawal of Application : 28.04.2023
4. Release of list of final eligible unions : 02.05.2023

The question arises here that why BSNL CO is not issuing a similar letter stating that normal / Rotational Transfers 2023 may be kept in abeyance till further order or completion of 3rd Executives' membership verification process as it was done for Non Executives.

This is great injustice being done on Executives and pushing them in hardship by implementing both Inter and Intra Circle Transfers though all the Executives worked hard and supported BSNL especially during COVID time and when BSNL was having financial crunch, these Executives have supported by spending their personal money and saw that none of our service was affected.

One more heartburning issue is that, It is found that in the published long stay list on 17.02.2023 many Executives names who have also completed either equal or more than the long stay of those executives whose name not appeared in the published long stay list on 17.02.2023. This is a clear Discrepancy and injustice to those who are listed in long stay list.

BSNL CO without correcting the said discrepancies called options to exercise this is injustice and not transparent way of doing transfer.

Hence it is humble request to proper scrutiny of stay of all executives and long stay may kindly be published for **all the executives who have completed 18 years** and above as per transfer policy so that transparency can be maintained and it will bring confidence among the executives.

There are several circles not highlighting the missing executives' names in the long stay to BSNL CO which is not ethical.

It is humble request to your kind self to get re published the long stay list with corrections of the said discrepancies and revised list with all executives of more than 18 years stay in particular circle including all non recruiting circles before issuing the long stay transfer order and justice may kindly be ensured.

Kindly ensure that the whole transfer process is kept on abeyance till completion of our 3rd Executives Membership Verification please.

Once again it is humble request for ensuring the real justice to our esteemed and loyal members of SNEA please sir

Thanking you.

Yours faithfully
