To,

**Shri S K Mishraji**

Chief General Manager Telecommunications  
Karnataka Circle, BSNL,  
Bangalore-560008.

**Sub: Releasing of press note to clarify on Negative publicity published in almost all news paper reg.**

Respected Sir,

It is very painful to notice that yesterday 13.2.2019 and today the 14.02.2019 almost all the news papers have published about the closure of BSNL, reduction of staff and about huge losses of the company. The point of closure of BSNL has given more negative impact on our BSNL image in the telecom market and in the minds of the public and demoralized the working employees of the BSNL.

Hence it is our humble request to you sir , kindly hold the press meet at the earliest with all the leading National and all the local news agencies and clarify about the BSNL status, its contribution to the society by giving its **best service at very affordable price to the whole Indian public**. Only BSNL is serving the Nation in the **natural calamity and disaster no operator present and supported other than BSNL**. The dream of our Honble Prime Minister of **Digital India made true only by BSNL** through laying OFC cable to all villages and enabled all the Gram Panchayat to get connected with entire world. Even in the stiff competition BSNL is leading in its new customer acquisition and retention of existing customers.

Because of the media wrong propaganda many of our customers visiting our CSC and Offices and started enquiring when the BSNL will be closed and hoe to get further services, **this is great embarrassment for the BSNL . Public and employees have become more panic.**

**Holding press conference and releasing the press note will clarify the doubts in the entire telecom market, public and also improves the morality of all the employees who are working day and night and even at toughest geographical area of the Nation.**

If the same is followed at each SSA level also it will be more effective and clarify the local public.

Thanking you

Yours faithfully

**Circle Secretary**
